HYUNDAI WARRANTY
5 YEAR UNLIMITED MILEAGE
FULLY TRANSFERABLE
+ THREE YEAR RAC COVER

Hyundai The business behind the brand

Hyundai is known in 190 countries as a maker of cars that are stylish, reliable and thoroughly good value.

When Hyundai Motor Company was established in 1967 it was just a small part of one of the largest industrial groups in the world, a group which included the world's largest shipbuilder as well as vast enterprises in engineering, construction, steel fabrication, petrochemicals, electronics, finance, hotels and retail operations.

A success story

HMC quickly grew from a car assembly plant into a pioneering organisation with extensive research and development facilities, testing laboratories and proving grounds – and some of the most original vehicles on the road. It is now the 9th largest car manufacturer in the world and completely independent of its original parent company. It has a total production capacity of over 3.5 million cars, buses and trucks each year, and the biggest automotive plant in the world, located at Ulsan in Korea.

Six HMC research and development institutes, scientists, designers and engineers are at work not only refining today's cars and creating their successors, but also working on some of the most innovative vehicles in the world for tomorrow. Among these are pollution free electric cars, a hydrogen engined car, a gasoline/electric hybrid car and a revolutionary alcohol-powered car that is already in use in Brazil. HMC has also developed a fuel cell engine and, along with most of the world's biggest car makers, is a member of the California fuel cell partnership.

Value for money

Drivers appreciate the results so much that HMC has extended its production facilities beyond Korea to India, Turkey, Egypt, China, Taiwan, Indonesia and Malaysia. HMC's target is to be one of the world's top five vehicle manufacturers by the year 2010.

To achieve that there will be new engines and new models, including innovative answers to some of the world's transportation problems, now and for the future.

But one thing at least will not change. In the 21st century, Hyundai will continue to stand for the best value for money motoring. That's one concept we believe will never go out of date.

The Hyundai range

In a world of increasingly frenetic activity, Hyundai presents a range of cars which do much more than merely keep pace – in fact, they are designed to put you well and truly ahead of the field.

Whichever model you choose from this comprehensive range, it will bring you the most carefully considered enhancements, based on an extensive, ongoing global research programme. A programme through which Hyundai is able to build the clearest picture of drivers' actual needs and then produce realistic solutions.

Within this brochure, you will see cars created to suit a variety of lifestyles – from business travel to practical family transport; from compact hatchbacks to luxurious saloons; all of which deliver the Hyundai promise to combine technical excellence with quality and optimum value for money.

You will also learn about the outstanding support packages which Hyundai offers including the UK's first 5 year unlimited mileage warranty across an entire range, 3 years' Hyundai RAC Assistance, 6 years' anti-perforation warranty, extended warranty options and a range of convenient finance schemes.

Above all, you will see how Hyundai is driving forward. And isn't that where you want to go with your next car?

Amica

Amica 1.0 GSi

When you choose a car, you naturally look for a vehicle that will suit your needs, taste and personality. It's like choosing a new friend. And the Amica is just about the friendliest car you could meet.

Both Amica models have a sporty roof spoiler

The Amica doesn't just get you from A to B, it also lets you have fun on the way. Ultra modern, softly rounded and compact, on ever more crowded streets it's easy to handle and a joy to park. The stylish Amica will carry you, your passengers and your luggage safely, efficiently and enjoyably.

With its lively 1.0 litre engine, the Amica nimbly deals with congested city streets and fast flowing urban roads. MacPherson-type strut front and torsion beam rear suspension, combined with a long wheelbase and wide track, help to deliver outstanding handling and a supple stable ride.

Despite its diminutive exterior, the Amica offers a spacious interior with head, leg and elbow room aplenty. Seats are finished in attractive fabric and provide firm support. Both Si and GSi models are comprehensively equipped with the GSi adding extra touches of luxury like air conditioning and alloy wheels.

Amica 1.0 GSi

The spacious interior of the Amica 1.0 GSi

Model Range Si, GSi

Engine/Transmissions

- 4 cylinder, 1.0 litre, 12 valve SOHC with manual or optional automatic transmission

Amica 1.0 Si

Getz

Getz 1.3 CDX

Get more out of life with the Getz,

Hyundai's smart new Supermini.

It's great fun to drive. There's plenty of room for everyone and everything. And you enjoy many bigger car features at a surprisingly affordable price.

Getz 1.1 GSi, 5 door

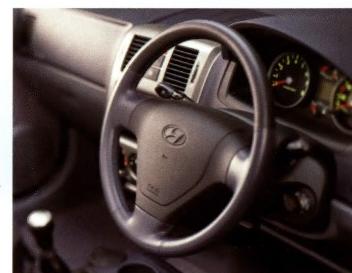

City shopping... a trip to the gym... a family weekend away... the versatile Getz takes you where you want to be in style, comfort and safety. As you'd expect from a world class manufacturer, our head-turning hatchback has a high level specification and build quality to match. And with outstanding performance, the Getz is hard to beat.

GSi models come with a choice of 3 or 5 doors and 1.1. or 1.3 litre engines, while the 5 door CDX can be specified with 1.1, 1.3 or a lively 1.6 litre engine, with the striking 3 door 1.6 Sport completing the range. The light, spacious interior gives generous headroom and legroom and every Getz comes with driver and passenger airbags, ABS brakes, front electric windows plus a stereo CD radio with RDS. CDX models include additional features such as air conditioning, front side airbags and, on 1.3 and 1.6 litre variants, alloy wheels and electric, heated door mirrors.

Whichever model you choose, you'll find the Getz reassuringly reliable and exceptionally economical. For pure driving pleasure and real value in its class, take a closer look at the Getz.

Getz 1.6 Sport, 3 door

Leather steering wheel and gear knob is standard on 1.6 Sport

Model Range

1.1 GSi (3 or 5 dr), 1.1 CDX (5 dr), 1.3 GSi (3 or 5 dr),
1.3 CDX (5 dr). 1.6 CDX (5 dr), 1.6 Sport (3 dr)

Engine/Transmission

• 4 cylinder, 1.1 litre, 12 valve SOHC with manual transmission • 4 cylinder, 1.3 litre, 12 valve SOHC with manual transmission or optional automatic transmission (CDX only) • 4 cylinder, 1.6 litre, 16 valve DOHC with manual transmission or optional automatic transmission (CDX only)

Key Features

- Adjustable front and rear head restraints
- Adjustable steering column
- Anti-lock brakes (ABS) with EBD
- Airbag, driver and front passenger

Accent

Accent 1.5 CDX

**The Accent brings you comfort,
space, safety and performance.
Above all the Accent brings you
more value than ever before.**

Rear spoiler with integrated brake
lamp (1.3 Si)

The 3 door Accents bring a sense of fun and excitement to your motoring with their lively 1.3 litre lightweight engine, combining pleasure with the practicality of a spacious hatchback. The 5 door models with their choice of 1.3 or 1.5 litre multi-valve petrol engines or 1.5 litre turbo diesel give you the room and accessibility of a saloon while retaining the convenience of the hatchback design. For a sporty package offering extra performance, the 1.5 litre petrol engine combines with the 3 door layout in the MVi model.

A responsive five speed manual gearbox is fitted as standard with the option of automatic transmission on 1.3i, 1.3 GSi and 1.5 CDX models.

For equipment the Accent is hard to beat. From the driver and passenger airbag, power assisted steering and AM/FM stereo radio cassette with RDS (CD radio on MVi) fitted across the range as standard to anti-lock brakes, alloy wheels and air conditioning on the top of the range CDX, you simply can't get more car for the money.

Accent 1.5 MVi

The Accent interior is comfortable and
roomy (1.5 CDX shown)

Model Range

- Anti-lock brakes (not Si)
- Central locking
- Electric windows
- Full length centre console & drinks holder
- Remote tailgate release
- Tinted glass

CDX/MVi

- Alloy wheels (steel spare)
- Electric aerial

CDX

- Air conditioning
- Driver's seat armrest
- Remote central locking and alarm

MVi

- AM/FM 4 speaker stereo radio CD with RDS
- Body coloured door mirrors and handles
- Electric door mirrors
- Front fog lamps
- Leather covered steering wheel and gear knob
- White instrument dials

Elantra

Elantra 2.0 CDX, 5 door

Don't be surprised if the Hyundai Elantra appears to be exactly what you are looking for. Because this spacious, stylish yet practical car is the result of exhaustive customer research.

GSi and CDX models feature electric tilt and slide glass sunroof

Elantra 2.0 CDX, 4 door

Comfortable seats provide good support
(GSi with optional auto transmission shown)

You told us you wanted great value for money; enough legroom for the family without sacrificing style; extensive safety features without compromising performance; and outstanding reliability and quality. You wanted the Hyundai Elantra.

There are no less than eight Elantra models to choose from, made up from 3 engine options, (including a common rail turbo diesel), 3 trim levels and 4 door or 5 door body styles. Each one is meticulously engineered for supreme driving comfort, with air conditioning (electronic climate control on top of the range CDX versions), driver, front passenger and side airbags, ABS brakes with Electronic Brake force Distribution, front seat Passenger Presence Detector, front seat belt pretensioners and an AM/FM stereo CD radio with RDS as standard.

Whether you need to share your car with a growing family, use it solely for business, replace your company car or equip a small fleet, you'll find the Elantra adds up to just what you're looking for.

Model Range

- Electronic climate control
- Leather seat facings, steering wheel, door trim and gear lever
- Rear spoiler
- Traction control
- Wood effect interior trim

Sonata

Sonata 2.7 V6

**If you're searching for a car that
delivers leading edge automotive
science with stunning visual
impact, the Hyundai Sonata
will appeal to the instincts
that drive you.**

Stylised headlamps produce a long,
bright beam

Abundantly rich in features, the Sonata embraces the latest microchip technologies. Ingenious innovations that will not only make driving easier and safer but immeasurably more pleasurable. Available in two models – 2.0 CDX and 2.7 V6 – the stylish and thoughtfully designed Sonata is impressive in both size and interior spaciousness. It offers luxuriously appointed, generously proportioned accommodation for you and four adult passengers.

Every Sonata features air conditioning, alloy wheels, anti-lock brakes, driver, front passenger and side airbags, leather covered steering wheel and gear lever and metallic or mica paint. Choose the V6 model and you'll also enjoy traction control, cruise control, electronic climate control, electronic driver's seat adjustment, leather seat facings and 4 speed H-matic transmission that can adapt to your driving style.

We're confident that once you have seen the Sonata for yourself – and especially when you have driven this stylish, superbly equipped Hyundai – you'll find it difficult to settle for less. And why should you? It could be the smartest move you've made.

Sonata 2.7 V6

V6 model features leather seat facings
and door trim

Model Range 2.0 CDX, 2.7 V6

Engines/Transmissions

- 4 cylinder, 2 litre, 16 valve DOHC with 5 speed manual or optional 4 speed H-matic automatic transmission
- 6 cylinder, 2.7 litre, 24 valve DOHC with 4 speed H-matic automatic transmission

Key Features

- Air conditioning • 15" alloy wheels • AM/FM 4 speaker stereo CD radio with RDS • Anti-lock brakes
- 4 channel system with EBD • Cup holders • Driver's, front passenger's and side airbags • Driver's seat height and lumbar adjustment • Electric aerial • Electric windows and door mirrors • Electric tilt and slide sunroof • Engine immobiliser • Front and rear adjustable head restraints • Front centre armrest with double storage trays • Front fog lamps • Front seat back pockets • Headlamp levelling • Heated door mirrors • Intermittent wipe with variable delay • Leather covered steering wheel and gear lever • Metallic or mica paint • Pollen filter • Power assisted steering and adjustable column • Rear centre armrest with storage box and drinks holder • Remote central locking with alarm • Remote fuel filler flap and boot release • Velour upholstery • Wide angle driver's door mirror • Wood effect trim • 3 x 3 point rear seat belts • 12 volt power socket • 60/40 split folding rear seat

V6

- 16" alloy wheels • AM/FM 4 speaker stereo radio cassette, with CD autochanger and RDS • Cruise control • Electronically adjustable driver's seat
- Electronic climate control • Electronic traction control
- Leather seat facings • 4 speed H-matic automatic transmission

XG30

XG30

The XG30 is an outstandingly appointed luxury saloon that rewards its discerning driver with a distinguished and graceful opulence plus a powerful performance befitting its aristocratic appearance.

XG30 has an imposing chromed radiator grille

Propelled by its 3.0 litre engine, the XG30 features a 5 speed, dual gate H-matic transmission system that allows the driver manual-like control while enjoying the convenience of an automatic. Traction control helps to prevent wheelspin. ABS brakes, boosted by Electronic Brake force Distribution helps ensure even distribution of braking force.

Bristling with features, the splendidly appointed interior sumptuously blends the qualities of luxury, comfort and ergonomic efficiency. Cruise control with adjustment buttons on the steering wheel allows relaxed, controlled motoring. The 8 way power adjustable driver's seat can 'remember' two seating positions. Leather graces the seat facings, steering wheel, door trim and centre console. A fully automatic climate control system manages air quality and temperature. In-car entertainment is provided by a superb stereo radio and mini-disc player with a 10 disc CD autochanger mounted in the boot.

The XG30, compellingly elegant and eminently functional delivers value as breathtaking as its thoroughbred good looks.

XG30 offers truly impressive performance

Sumptuous interior blends luxury, comfort and ergonomic efficiency

Model Range **XG30**

Engines/Transmissions

- V6, 3 litre, 24 valve DOHC with 5 speed H-matic automatic transmission

An outstandingly appointed luxury saloon

Matrix

Matrix 1.8 CDX

Space, functionality and flexibility
- the key features of an MPV.

Add contemporary styling from Pininfarina; lively, economical petrol or diesel engines; plus real 'hands-on' driving enjoyment and you have the Hyundai Matrix.

Matrix carries the Pininfarina badge with pride

Compact outside for easier manoeuvring in busy city streets yet remarkably spacious inside, the Matrix's high roof line and low side windows add a feeling of light and space. All five occupants enjoy ample legroom thanks to sliding and reclining front and rear seats.

The Matrix comes with three engine options – 1.6 litre and 1.8 litre petrol plus the 1.5 litre common rail turbo diesel – and two comprehensive trim levels – GSi for 1.6 litre petrol and 1.5 litre diesel models and CDX for the more powerful 1.8 litre petrol model. 5 speed manual transmission is standard across the range with the option of 4 speed automatic on petrol models.

Every Matrix features air conditioning, ABS brakes, driver, front passenger and side airbags, alloy wheels, electric windows and central locking with a host of stowage and storage facilities. For that extra touch of luxury, CDX models also offer leather seat facings and steering wheel, electric sunroof and keyless entry and alarm.

Matrix – the high quality, low cost, family friendly MPV from Hyundai.

The Matrix range includes a 1.5 litre common rail turbo charged, diesel model

The stylish dashboard layout is both efficient and attractive (1.8 CDX shown)

Model Range

1.5 TD GSi (diesel), 1.6 GSi (petrol), 1.8 CDX (petrol)

Engine/Transmission

• 3 cylinder, 1.5 litre common rail turbo diesel 12 valve DOHC with 5 speed manual transmission • 4 cylinder, 1.6 or 1.8 litre, 16 valve DOHC with 5 speed manual or optional 4 speed automatic transmission

Key Features

- Air conditioning • AM/FM stereo CD radio with RDS
- Anti-lock brakes • Body coloured door mirrors
- Central locking • Cup holders, front and rear • Driver, front passenger and side airbags • Electric, heated door mirrors • Electric windows, front and rear • Engine immobiliser • Fold-up trays on front seat backs • Front seat belt pretensioners • Height and lumbar adjustable driver's seat • Load cover • Luggage net • Mudflaps, front and rear • Power assisted steering and adjustable column • Power outlets, front console and boot • Rear wash/wipe • Roof rails • Sliding and reclining rear seat • Storage tray under front passenger seat • Underfloor storage in boot • 5.5J alloy wheels • 60/40 split double folding rear seat

CDX

- Electric tilt and slide sunroof • Keyless entry and alarm
- Leather seat facings, steering wheel and door trim
- Metal grain dashboard • 6.0J alloy wheels

The Matrix 1.6 GSi offers a comprehensive specification as well as contemporary looks

Trajet

Trajet 2.7 V6

**We all want more from an MPV
(Multi Purpose Vehicle) these
days. Naturally it's got to offer
value for money, practicality
and versatility – but great
looks and top performance
are equally important.**

Standard roof rails on all models
are smart and practical

The Hyundai Trajet is one of the largest, most comprehensively equipped MPVs around. A full seven seater available with 2.0 litre or 2.7 litre petrol engine or a 2.0 litre common rail turbo diesel engine, it offers quite remarkable value.

Clean, elegantly proportioned looks are attractive and aerodynamically efficient and enable the Trajet to look far more like a passenger car than a 'people carrier'. The interior is smart and functional with generous head, hip and leg room. Front seats each have folding armrests and can rotate 180 degrees. Second and third row seats can be double folded or turned into ingenious table tops with built in cup holders, or can be quickly removed to reveal a completely flat floor.

The list of standard equipment is comprehensive even by Hyundai's standards. All models have twin airbags, air conditioning, electric windows and ABS brakes with the 2.7 model adding features such as side airbags, 4 speed automatic transmission, alloy wheels, cruise control and leather seat facings. The Hyundai Trajet – the people carrier for all people.

Trajet 2.0 TD GSi

Leather seat facings, door trim, steering wheel and gearlever standard on V6

Model Range

2.0 TD GSi (diesel), 2.0 GSi (petrol), 2.7 V6 (petrol)

2.7 V6

- Alloy wheels
- Cruise control
- Electric tilt and slide sunroof
- Front foglamps
- Heated door mirrors
- Leather covered steering wheel, door trim and gear knob
- Leather seat facings
- Rain sensor and automatic light control
- Side airbags

Coupé

Coupé 2.7 V6

Stunning looks, exhilarating performance, outstanding specification and exceptional quality: the new Coupé carries its heritage with confidence.

Clean simple lines are a clear statement of style and dynamic elegance.

'Shark gills' add a hint of menace

2.7 V6 Coupé is a must for the serious sports car enthusiast

At the heart of each new Coupé beats an engine to give you exceptional power, performance and responsiveness. Idling, cruising or accelerating, this car is designed to be remarkably quiet and you'll enjoy superb ride comfort and outstanding braking performance.

The Coupé looks and feels as good behind the wheel as it does from the outside. The interior offers space and style with ergonomic design. There's plenty of head, leg and shoulder room too.

Whichever model you choose, you can indulge in an abundance of equipment including front and side airbags, electric windows, heated door mirrors and RDS stereo radio CD. And if you're looking for luxury, all models come with a leather covered steering wheel and gear knob, air conditioning, metal grain dashboard trim and a driver's seat with height and lumbar adjustment. We don't wait for you to order the best. We fit it as standard.

The new Hyundai Coupé – power, style, performance. Quite simply a thrilling drive.

Interior offers space and style with an ergonomic design (2.7 V6 shown)

Santa Fe

Santa Fe 2.7 V6

**Introducing the Santa Fe – a 4WD
that combines the handling of a
conventional 2-wheel drive with
a taste for off-road adventure.**

**Muscular good looks, terrific
style, supremely practical and
very attractively priced.**

Flip-up glass in the tailgate gives
easy access

The Santa Fe is a Sports Utility Vehicle (SUV) that offers off-road capability, yet is less expensive to purchase, run and maintain than a standard 4x4 off roader. And with the Santa Fe you get modern styling, practicality and a long list of features and equipment for even less.

The Santa Fe is available with a 2.0 litre common rail turbo diesel, 2.4 litre or 2.7 litre V6 petrol engine 5 speed manual transmission is standard with the diesel and 2.4 litre petrol engines, with a 4 speed H-matic transmission standard on the 2.7 V6 and optional on the diesel model. A limited slip differential and double differential help to ensure that power is effectively deployed between the wheels.

Passenger protection features include driver and front passenger airbags and ABS brakes with Electronic Brake force Distribution.

Comfort and convenience levels are high with a flip-up rear window, electric windows and door mirrors and air conditioning while V6 models enjoy the additional luxury of leather seat facings.

Santa Fe 2.4

2.7 V6 model offers the luxury of leather
seat facings

2.7 V6

- H-matic automatic transmission
- Leather covered steering wheel
- Leather seat facings

Santa Fe 2.7 V6, with roof bars from the accessory range

Accessories Complementing your Hyundai

Elantra 2.0 CDX, 5 door

Every driver needs different features on their car – so Hyundai has developed a range of complementary accessories to cater for the particular requirements of Hyundai drivers.

They are practical, stylish and, most importantly, have been designed to become an integral part of the car, to add a personal touch to its looks and make motoring even more comfortable and enjoyable.

There are unashamed luxuries such as air conditioning, alloy wheels and spoilers. Functional items include locking wheel nuts, headlamp protectors, mat sets and towing equipment. There is also a selection of versatile, easy to fit carrying equipment for luggage, skis and mountain bikes.

For full details of the range of accessories available for your Hyundai, please consult your Hyundai dealer.

Your easy finance options

When you've chosen your Hyundai, we can help you purchase it with just the right finance plan to meet your particular budget and circumstances. Hyundai Car Finance offer a full range of financial products which can be arranged through your Hyundai dealer enabling you to complete your whole purchase under one roof. It's no wonder that many customers use our specialised car finance products instead of other lenders, or indeed their own savings.

Sequences

Defer a percentage of your loan until the end of your agreement, leaving you with low monthly payments and a number of options at the end.

Hire Purchase

Pay an initial deposit, followed by equal monthly instalments over your chosen period.

Lease Purchase

Similar to Hire Purchase, but with lower monthly payments due to a larger final payment.

Personal Contract Hire

A rental product which includes service and maintenance cover. At the end of the agreement the vehicle is simply returned.

To provide additional peace of mind the following insurance products are available for all finance products.

Payment Protection

Choose various levels of cover to meet your repayments in the event of a wide range of unexpected circumstances.

Gap Insurance

Protect any shortfall between outstanding finance liability and insurance company payout in the event of your car being written off in an accident.

For further details and quotations, please ask your Hyundai dealer.

Aftersales Comprehensive care

Every Hyundai comes with a full aftersales service that includes the UK's first five year warranty across an entire range, Hyundai RAC Assistance* and vehicle security registration.

Five year warranty

Hyundai vehicles are manufactured in one of the most advanced plants in the world, to high standards of dependability and durability, so we are happy to be the first manufacturer in the UK to offer a five year, unlimited mileage warranty* across an entire range, transferable to a new owner. Please ask your local Hyundai dealer for full details.

Hyundai RAC Assistance

Something as minor as a puncture or a flat battery can turn into a major problem, but, under an exclusive three year plan, as a Hyundai driver you can count on Hyundai RAC Assistance* to come to your rescue. The plan offers a 24 hour telephone helpline, roadside assistance and rescue and recovery – even at home.

Owners' insurance scheme

A preferential insurance scheme is available to all owners of new and used Hyundai vehicles. Among its special features are:

- Special low rates for owners of Hyundai vehicles
- Transfer of existing no-claims bonus (cars up to 65%, vans up to 60%)
- Discount for voluntary excess
- Fast, effective claims service with a national network of engineers
- Flexible payment terms

Security services

To deter thieves, windscreens, rear screen and main door glass are marked with a unique identification number and each vehicle's details are added to the Hyundai International Security Register. This service provides a visible and proven deterrent to vehicle theft.

Full details about the conditions governing all these schemes are available from Hyundai dealers.

* Vehicles used for hire and reward or commercial uses are covered by a five year, 100,000 mile warranty which does not include Hyundai RAC Assistance. To retain full warranty cover and, where appropriate, Hyundai RAC Assistance, regular servicing of the vehicle in compliance with the maintenance schedule is necessary. This is chargeable to the customer.

Motability Contract Hire

The Motability Contract Hire scheme enables people who receive the Higher Mobility Component of the Disability Living Allowance to acquire a Hyundai Amica or Accent at a preferential price.

In recognition of the special needs of Motability customers, many models are available with features such as power assisted steering, adjustable steering column and optional automatic transmission.

Please call our Hyundai Information Service on 0800 981 981 for further details and your local Hyundai Motability Approved Dealer.

Fuel & Emissions Summary
